DETAILED ACTION

Claim Rejections - 35 USC § 112

1. The following is a quotation of the second paragraph of 35 U.S.C. 112:

The specification shall conclude with one or more claims particularly pointing out and distinctly claiming the subject matter which the applicant regards as his invention.

2. Claims 9 – 13 are rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention. Claim 9 recites the limitation “the wrap” signal in line 13. There are two instances of the limitation “a wrap signal”, in lines 5 and 8, prior to this limitation. It is not clear which one of the two possible “wrap” signals, the limitation “the wrap” signal refers to. For the purpose of this examination, the second instance of “a wrap” signal, will be interpreted as “the wrap” signal, so that there is only one wrap signal in the claimed system. Claims 10 – 13 are rejected for depending from a defective parent claim.

Allowable Subject Matter

3. Claims 14 – 16 are allowed.
4. Claims 9 – 13 would be allowable if the second instance of “a wrap” is amended to “the wrap” to overcome the rejection(s) under 35 U.S.C. 112, 2nd paragraph, set forth in this Office action.

Conclusion

5. THIS ACTION IS MADE FINAL. Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire THREE MONTHS from the mailing date of this action. In the event a first reply is filed within TWO MONTHS of the mailing date of this final action and the advisory action is not mailed until after the end of the THREE-MONTH shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the mailing date of this final action.
